

**PIPEDREAM**  
THEATRE PROJECT

SPONSORSHIP BROCHURE

## **Your Generosity Keeps the Dream Alive!**

Pipedream Theatre Project creates opportunities for members of the Vancouver theatre community to learn and grow by producing quality amateur theatre. We are a registered non-profit, volunteer-run society focused on engaging young urban audiences with modern musical theatre. Pipedream members share their positive experiences with their friends, family, and neighbourhoods, raising public awareness of musical theatre and the generosity of our sponsors in supporting the arts.

### **Pipedream 2010**

Pipedream Theatre Project is proud to present *Nine*, by Maury Yeston and Arthur Kopit. Based on Fellini's film *8 ½*, this awarding-winning musical tells the story of film director Guido Contini as he faces a stalled film project, a complicated love life, and his fortieth birthday.

*Nine* first appeared on Broadway in 1982, and enjoyed a successful revival in 2003. With a film version premiering in December 2009, this show is poised to be top of the list for Vancouver audiences, whether they are musical lovers looking for a fresh show or movie fans exploring the stage version.

Our production will run June 2nd – 6th, 2010 at Performance Works Theatre on Granville Island.

### **The Importance of Sponsorship**

Pipedream relies on the generous contributions of sponsors to help make our shows possible. With the support of sponsors, we were able to sell out two performances and reach an overall capacity of 80% during the production of *A New Brain* in 2009.

In return for sponsorship, we offer print recognition (website, programs, posters), along with verbal mentions at our performances (gold donors). Sponsors also have the opportunity to contribute to specific aspects of the production, including set design, costumes, and lighting. Sponsorship may be monetary, or can take the form of goods or services.

Sponsorships are available at one of the three levels listed below:
